Computational and Mathematic Biology. [Website](#).
Computational Neuroscience. [Website](#).

How to apply

To apply for a position, you must send to crmcalls@crm.cat an email with the following information: name, personal address, email and phone number.

The application package should include: CV, academic records, and a motivation letter. A minimum of one and a maximum of three hosting CRM research groups have to be chosen, indicating preferences in the motivation letter, if any.

The applicant should arrange for two referees familiar with her/his work to send a reference letter to crmcalls@crm.cat before the deadline.

The deadline to submit an application is **October 15, 2016**. Applicants should be available for interviews (possibly via Skype) from October 24 onwards.
